Check out these custom made Nike's Patriots owner Robert Kraft had made

By Vincent Frank

New England Patriots owner Robert Kraft loves himself some Nike shoes. This is by now well known. Following the fifth championship of his tenure as the Patriots' owner last February, Nike created these awesome Air Force 1's as a tribute to the Patriots.

That came after Kraft's initial infatuation with this Nike product, when former Patriots corner Ty Law commissioned two custom-made shoes in celebration of his Patriots Hall of Fame induction back in 2014. Of course, [Kraft was on the receiving end of one of those suckers](#).

It now looks like Kraft is doubling down even more, courtesy of Bella Artistry's Instagram account.

A few months ago a got a call from NIKE (yeah, i almost fell out of my chair). The developer of the Air Force one wanted to collaborate on a recreation of our original design commissioned by Ty Law in 2014 for his Patriots Hall of Fame induction. Ty had two pairs created, one for him and a pair to gift to Mr Kraft (that's the owner of the New England Patriots for the NFL background challenged 😊) . Mr Kraft loved his shoes but Nike creates special shoes for the shape of his foot. So he requested that the shoes be recreated on the specially formed shoes. It was such an honor to work with Nike and to get to create for Mr Kraft again! God has opened SO MANY Doors for Bella and I'm in awe of His faithfulness. If you put Him first in all things He will take care of the rest. Don't worry about the noise around you, don't worry about the copy-cats, don't worry about how you'll get it all done, don't fear about the financial details...just don't fear. A good friend of mine, a wise woman of God and fellow business owner, said to me today that "anytime you have any level of fear you know that it is the enemy trying to throw you off what God has already given you. You just have to walk by faith and not by sight, otherwise you won't make it." God has your back! Trust Him. ALL WILL BE WELL! #grateful #godisgood #iloveHim #nike #patriotsnation #patriots #newenglandpatriots #nfl #robertkraft #tylaw #airforce1 #swarovskicrystals #customshoes #customsneakers #blingsneakers #dreamtimecreations #swarovski #bellaartistry #leahmiller #thediamonddduchess

“MR KRAFT LOVED HIS SHOES BUT NIKE CREATES SPECIAL SHOES FOR THE SHAPE OF HIS FOOT. SO HE REQUESTED THAT THE SHOES BE RECREATED ON THE SPECIALLY FORMED SHOES,” THE COMPANY SAID. “IT WAS SUCH AN HONOR TO WORK WITH NIKE AND TO GET TO CREATE FOR MR KRAFT AGAIN.”

Imagine a 78-year-old man rocking these shoes. That's just some pretty darn awesome stuff right there.

Kraft's taste for style is by now well known. But this is next level.
